This Sunday is Episcopal Relief and Development Sunday!

Each year, Episcopal Relief & Development facilitates healthier, more fulfilling lives for more than 3 million people around the world struggling with hunger, poverty, disaster, and disease. The organization works with Anglican partners to create long-term development strategies focused on delivering results in three signature program areas: Women, Children and Climate. Their work with Women focuses on helping communities promote the rights of women and children and move toward the vision that everyone deserves a life free from violence. Their work with Children supports and protects kids under six so they reach appropriate health and developmental milestones. Their Climate-related work focuses on how families and communities can work together to adapt to

the effects of rapidly changing weather patterns. In addition, our US Disaster Program offers critical resources and training to help people prepare for disasters and provide emergency support so vulnerable communities can make a full and sustained recovery.

To contribute to Episcopal Relief and Development, please use the envelopes in the pew designated for Episcopal Relief and Development or write Episcopal Relief and Development on our church envelope.

BISHOP'S BIBLE *Challenge*

Our Zoom Bible Study will not meet on Monday, March 10, we will pick back up on March 17. If you are following along, we will be at the beginning of Judges and through Psalm 71 at that point. We encourage anyone to join us, whether you are reading along or just want to listen, learn, and ask questions.

Prayer: Blessed Lord, who caused all holy Scriptures to be written for our learning: Grant us so to hear them, read, mark, learn, and inwardly digest them, that we may embrace and ever hold fast the blessed hope of everlasting life, which you have given us in our Savior Jesus Christ; who lives and reigns with you and the Holy Spirit, one God, for ever and ever. *Amen.*
